ABOUT ME

A passionate 3rd-year Computer Science student dedicated to developing appealing, creative, and user-friendly projects. Actively seeking internship opportunities to apply my skills in real-world applications and contribute to innovative solutions.

RECENT ACTIVITIES

Café de Júr: E-Commerce Platform June 2025
Full-Stack Developer

- React.js, Tailwind CSS, Node.js, MySQL
- A simple e-commerce website for admin and customers with product management, order management, and online payment simulation.

Mobile Portfolio June 2025
Frontend Developer

- React Native Expo, Tailwind CSS
- A visually engaging mobile portfolio that shares my journey as a creative developer — blending stories, inspirations, and future ambitions. Built to reflect not just my skills, but who I am and where I'm headed.

Enrollment System January 2025
Backend Developer

- React.js, Node.js, MySQL
- A user-friendly design for CvSU - Department of Computer Studies, allowing students, officers, and administrators to handle enrollment with ease.

EDUCATION

Cavite State University Bacoar, Cavite
Bachelor of Science in Computer Science

Awards & honors:

- Vice President's List 2022 to 2024
